

REPORT OF NYSC 2025 BATCH B STREAM II

A Nationwide Productivity Awareness Lecture for Corps Members

Inspiring a Culture of Productivity for a Self-Reliant Future

Organized by the **National Productivity Centre (NPC)**, Abuja

In Collaboration with the **National Youth Service Corps (NYSC)**

October 2025

NPC Delivers Productivity Awareness Lectures to 30,236 NYSC Batch B Stream II Corps members across 20 States of the Federation

The National Productivity Centre (NPC) Abuja on the 6th of October, 2025, in synergy with its 20 state offices, conducted a nationwide productivity awareness lecture for NYSC Batch B Stream I corps members at orientation camps across Nigeria. The lecture forms part of the Centre's ongoing Productivity Awareness Campaign, designed to instil a culture of productivity among youth corps members. The initiative aims to equip them with the mindset and discipline necessary for self-reliance, enabling them to make meaningful contributions to national development, particularly in the face of high unemployment rates. Through the knowledge gained, corps members are expected to strengthen and sustain the entrepreneurial skills acquired during the orientation program, positioning them to thrive in both self-employment and the wider job market.

OBJECTIVES OF THE LECTURE

The main objective of the Productivity Awareness Lectures for NYSC Corps Members is to arouse their consciousness on how to improve Productivity through promotion and practices. They are also encouraged to initiate Productivity improvement activities in their various places of primary assignments, so as to guarantee growth and development in the country.

Other objectives include to:

- introduce corps members to the principles and values of productivity.
- encourage a self-reliance mindset for sustainable personal and professional growth.
- equip participants with productivity skills that complement their entrepreneurial training at the orientation camp.
- inspire active contributions to national development through improved efficiency and innovation.
- prepare corps members to better navigate unemployment challenges and identify viable economic opportunities.

- teach them how to deploy the knowledge of productivity in various areas of life and livelihood.
- propagate the culture of continuous productivity improvement, quality and service level in the Nigerian economy.
- contribute in navigating Productivity Movement across the nation.

METHODOLOGY

The lecture was held simultaneously at NYSC orientation camps nationwide. Resource persons from NPC offices facilitated interactive sessions, introducing corps members to the concepts, values, and benefits of productivity, using the following methodology:

- Power Point Presentation
- Role Play
- Case Study
- Question and Answers

CONTENT OF LECTURES

- Definition of Productivity
- Concepts of Productivity
- Career and Productivity
- Workplace Productivity
- Entrepreneurship development
- Benefits of Productivity
