

REPORT ON THE 2025 BATCH C, CORPS MEMBERS PRODUCTIVITY AWARENESS LECTURE

**HELD AT NYSC ORIENTATION
CAMPS ACROSS NIGERIA ON
THE 1ST OF DECEMBER, 2025**

REPORT ON THE 2025 BATCH C, CORPS MEMBERS PRODUCTIVITY AWARENESS LECTURE HELD AT NYSC ORIENTATION CAMPS ACROSS NIGERIA ON THE 1ST OF DECEMBER, 2025.

The National Productivity Centre (NPC) Abuja on the 1st of December, 2025, in synergy with its 20 state offices, conducted a nationwide productivity awareness lecture for NYSC Batch C corps members at orientation camps across the country. The lecture forms part of the Centre's ongoing Productivity Awareness Campaign, designed to instil a culture of productivity among young Nigerians. The initiative aims to equip them with the mindset and discipline necessary for self-reliance, enabling them to make meaningful contributions to national development, particularly in the face of high unemployment rates. Through the knowledge gained, corps members are expected to strengthen and sustain the entrepreneurial skills acquired during the orientation program, positioning them to thrive in both self-employment and the larger workforce.

OBJECTIVES OF THE LECTURE

The main objective of the Productivity Awareness Lectures for NYSC Corps Members is to arouse their consciousness on how to improve Productivity through promotion and practices. They are also encouraged to initiate Productivity improvement activities in their various places of primary assignments, so as to accelerate growth and development in the country.

Other objectives include:

- To introduce corps members to the principles and values of productivity.
- To encourage a self-reliance mindset for sustainable personal and professional growth.
- To equip participants with productivity skills that complement their entrepreneurial training at the orientation camp.
- To inspire active contributions to national development through improved efficiency and innovation.
- To prepare corps members to better navigate unemployment challenges and identify viable economic opportunities.

- Teach them how to deploy the knowledge of productivity in various areas of life and livelihood.
- Propagate the culture of continuous productivity improvement, quality and service level in the Nigerian economy.
- Contribute in navigating Productivity Movement across the nation.

METHODOLOGY
